

LOCUS

THE MAGAZINE OF THE SCIENCE FICTION AND FANTASY FIELD

Do you read *Locus*? If not, think about what you're missing!

- For 36 years (and counting) we've provided timely news about the publishing world, awards, obituaries, book trends, and bestsellers – and we've done it all well enough to win the **Hugo Award**, science fiction's highest honor, 25 times.
- Every month our legendary **People & Publishing** column provides photos and personal and professional news about writers and editors, including who sold what book to whom – sometimes before they know it themselves!
- Our **interviews**, with both established and up-and-coming writers, give you insight about the authors and their work.
- We cover major conventions and conferences, including Worldcon and World Fantasy, with reports and **hundreds of color photos**.
- With more and more books being published each year, our **in-depth reviews** help you decide where to spend your time and money.
- Every three months our **Forthcoming Books** listing provides a detailed schedule of upcoming US and UK titles, indispensable for bookstore buyers and readers who need to know what books are on the horizon.
- Every February we look back at the previous year in publishing, with a Recommended Reading list, essays from prominent editors and reviewers, and a **comprehensive analysis** of the field, complete with charts and statistics.
- A subscription gets you all this, plus the most complete listings of every book published in America and Britain, international reports, and much more!

If you don't read *Locus*, you don't know science fiction.
